FOREWORD . . .

It has been a good year — from the first balmy days of September, through the discomfort and changing moods of winter, to the breakout of Spring and the coming of June. This JOURNAL'S purpose is to capture us in all these scenes — our triumphs, our frustrations, our dreams, and our fun — that each turn of a page may summon fresh and vivid memories of our days at THS.

Let us also look ahead with this Journal to the fast-approaching years when we will be called upon to prove our worth in the world. The promise that we showed here in Taunton High will soon be seeking its fulfillment in life. May this JOURNAL be but a prelude to many books in which the names of the graduates of 1963 will be written with distinction and honor.

—DEDICATION—

*We, the Class of 1963, respectfully and affectionately
dedicate our JOURNAL to*

MR. DAVID F. MULLEN,

*who, as teacher, coach, department head, and assistant headmaster
has served both the school and the community
by his adherence to the principles of
fair play, just discipline, and wise guidance.*

*In this, our dedication, we express the gratitude of
Taunton High School students — of yesterday and today —
who were guided by his precepts and enlightened by
his teachings.*

FREEDOM IS A PERSONAL THING . . .

Freedom belongs to everyone, yet it is yours and yours alone, for it is your interpretation which makes it personal.

Freedom is the opportunity for the scholar to study and to strive to reach his farthest goal. It is the opportunity which allows the student to give of himself to his fellow students and to his school.

To the young artist, Freedom is the chance to paint — to feel the ecstasy of creating his first masterpiece, while to the football star, it is the pride in making a touchdown and hearing the crowd's eager screams.

Most of all, Freedom is the graduate's moment of personal achievement. It is the key which will open the door to a new and independent life.

— WE HONOR —

To these teachers who have retired since our freshman days, we extend our gratitude for the contribution they made to Taunton High School. Although they are not with us now, the integrity of their lives, the dedication they gave to their teaching, and the influence they had upon the whole school population cannot be measured.

You are graduating at a time when life offers wonderful challenges. Atomic research and space probes are revealing new vistas of discovery. You are a part of this new age of discovery. As long as you know yourself — your own strengths and weaknesses — you will take your rightful place in this future world.

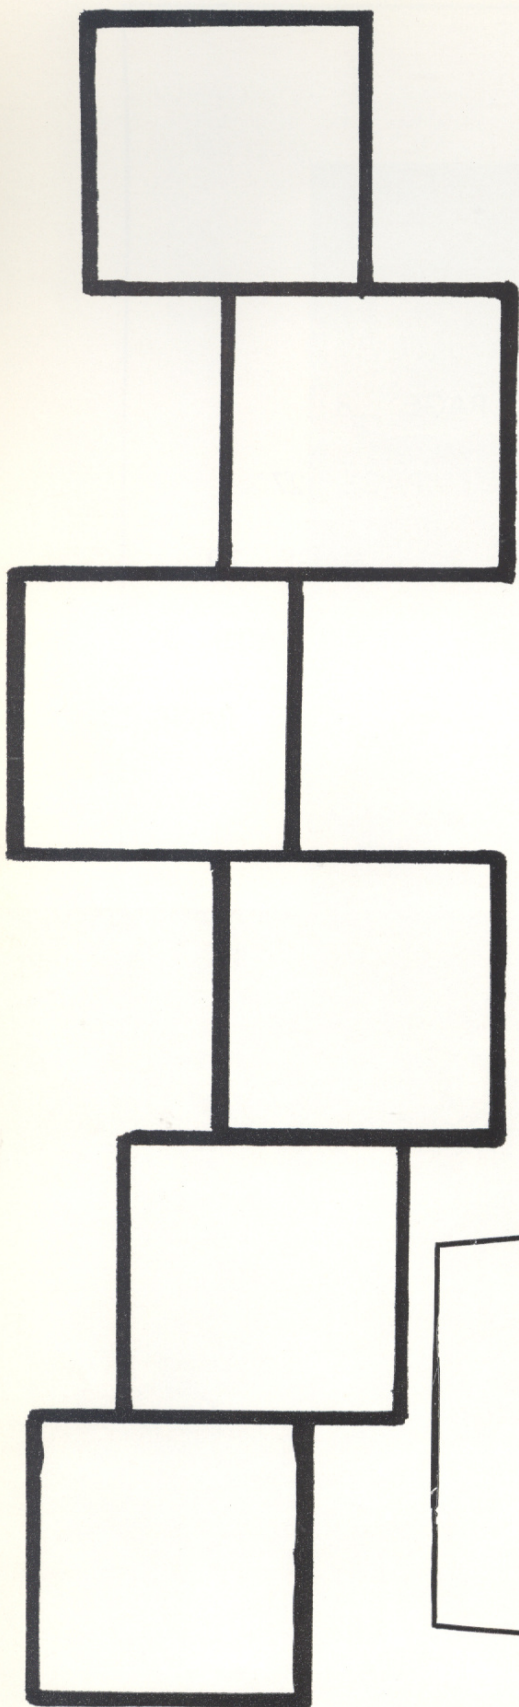

Be true to yourself, and good luck in your venture.

Freedom is a blessing to be shared, for it is the opportunity to dedicate your life to the service of others. The fruits of freedom depend upon the interaction of the thoughts, ideas and ideals of men.

"But can I get into B.U.?"
"Are the S A T scores in yet?"
"Can I get a part-time job?"
"But why do I need chemistry?"

These are only a few of the questions which the busy members of the Guidance Department try to answer every day. The guidance staff tries to spend at least one period a year with each student. With fifteen hundred students, this is not easy!

Although the Guidance Department has a number of other responsibilities, these personal interviews form the most important part of its work. Through them the counselors attempt to analyze the strengths and weaknesses of each student, to help the students with any problems they may have, and to place them in the best possible school or job.

"Another book report? We just had one!"

Someone should remind this student that instilling the habit of reading in each student is one of the main goals of the Taunton High School English Department. Another is to train each student in critical thinking and confident self-expression — to teach him the importance of organization and accurate expression in writing.

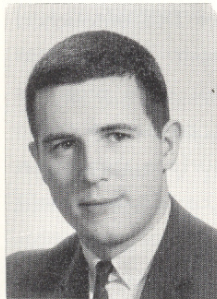

Besides the regular English courses, the department conducts optional classes in reading to increase speed and comprehension, skills especially important to college-bound students.

The regular English classes cover five periods a week for each student through all four years and are geared separately to meet the individual needs of each course of study.

Quick! What is the value of $\sin^2 47^\circ + \cos^2 47^\circ$?

Any alert trig student should be able to answer that question practically before it is asked. For those who have not had trig, it may present a few difficulties, yet they too are learning the mathematics they need for their future careers.

No student comes out of THS untouched by our mathematics department. Whether he is finding the inside diameter of a pipe, or preparing a monthly budget, preparing doses of penicillin, or finding the surface area of an icosahedron, each student is certain to benefit in some way from his high school math program.

SCIENCE DEPARTMENT

One of the highlights of the school year is the Science Fair, held each year just before spring. Students from all classes display their scientific interests and ingenuity in colorful exhibits. This year Neil Steinmetz became the first student to win top honors in the fair for two consecutive years.

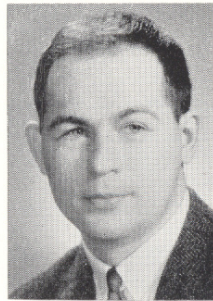

In the science classes themselves, students learn the methods of scientific investigation and laboratory procedure. General science, biology, chemistry, and physics comprise the curriculum. Peering through a microscope, students take a glimpse into the world of the amoeba and the paramecium.

Today science has become increasingly important in all phases of life. The THS Science Department is preparing the students of today to become the scientists of tomorrow.

In an age in which the world is constantly being drawn closer together, it is more necessary than ever before to understand the tongues of people in other countries. The aim of THS's language department is to acquaint our young linguists not only with the speech but also with the grammar of our European friends. During language classes, which meet five days a week, students are drilled and quizzed on grammar rules. Those who study French and Spanish are given the opportunity to improve their speech by spending one period a week in our modern language laboratory.

The teachers in the Foreign Language Department also sponsor Le Cercle Francais, La Tertulia, and the Junior Classical League.

Which of the following dates does not belong with the rest: 1492, 1532, 1620, 1776, 1860? 1532, of course, and if you are a student in the THS Social Studies Department you cannot have missed the right answer. Why? Because all the other dates obviously stand out as important years in American History

After a year of Civics, the Social Studies Department offers the interested student courses in both world and American history. Seniors who are interested may also elect Problems of Democracy, Mr. Gula's course dealing with the diverse problems of our contemporary civilization.

This is the type of class the fellows enjoy; they have fun while they're learning. Keeping accurate records of graduates and undergraduates is the responsibility of our office force — Mrs. Alice Rae Lutz and Miss Mary McCarthy.

Mrs. Lutz's duties include typing permanent record cards and report cards, checking on registers, handling correspondence, and taking dictation.

Miss McCarthy is responsible for the daily notice sheet and the absence list. Also, she is in charge of preparing transcripts, answering the telephone, and sending messages.

CADET CORPS

"Triple — to — the — rear — by — the — right — flank — column — left, MARCH," shouts the captain, and sixty bodies move together with snap and precision. The THS Cadet Corps trains its men in precision teamwork, and in this, the last year for military instructor Sergeant Joseph Perry, the Cadets hope to put on an especially fine show at the annual June drill.

DRIVER'S TRAINING

"Shift!"

"The Brake!"

"Caution!"

These cries are familiar to the student drivers in the Driver Education Program.

Students participate in class discussion periods where emphasis is placed on capability and maturity behind the wheel, but they often find themselves nervous when their first driving lesson begins! After a discouraging session of road practice, a student may feel that he will never drive again, but he always arrives on time for that next lesson!

Are you sure these are enough?

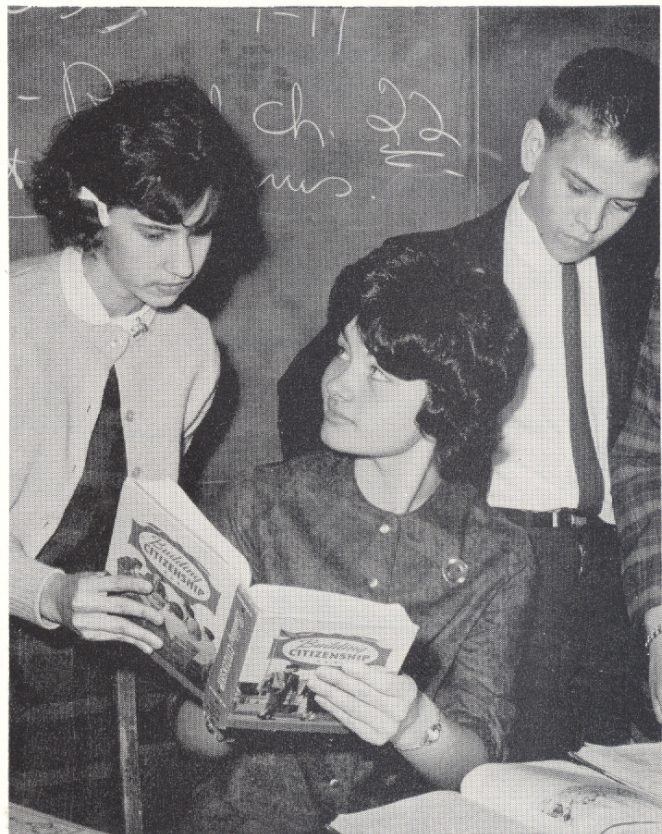

Can you tell me why —

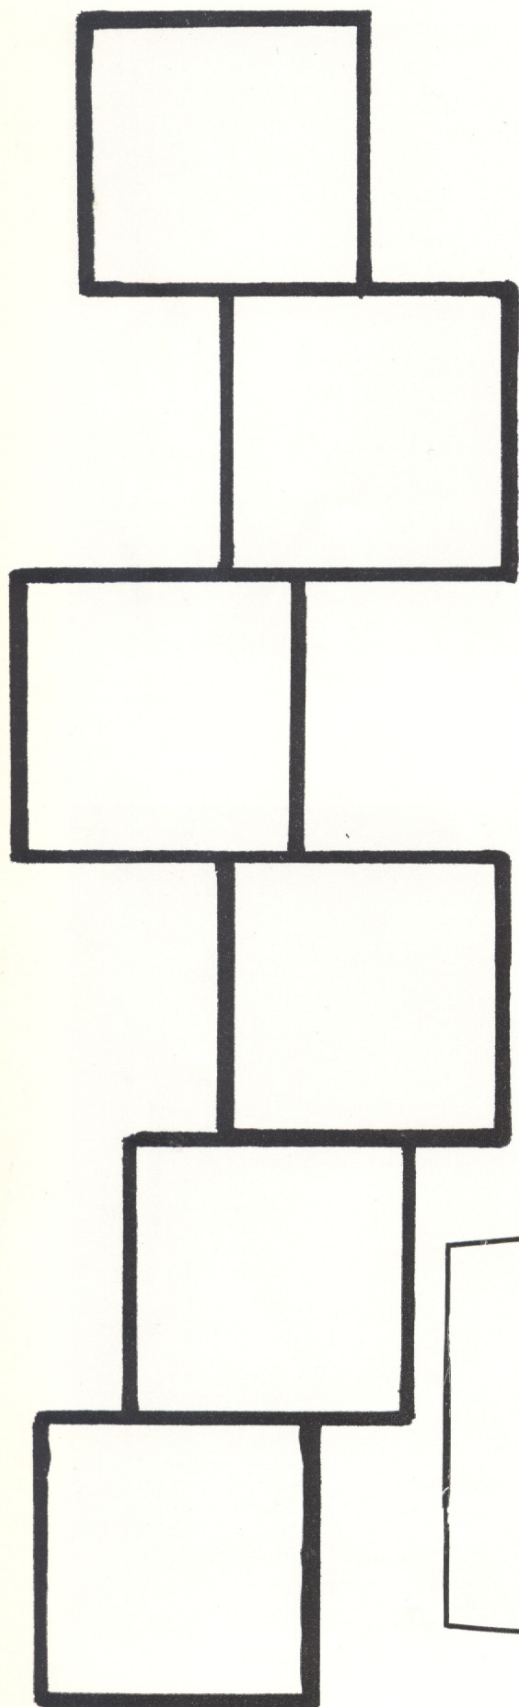

Very good.

And I'd like to say this about that.

You'd better ask Mr. Cook about that.

Freedom is a wide horizon gleaming with promise. It is your key to an inspiring future. The only shackles you must break are within you. You practice the art of freedom when you make the most of all that freedom offers.

Seated, left to right: J. Goldrick, secretary; F. Rugg, president; N. Farrar, vice-president; D. Freeman, treasurer. Standing, sponsors: Mr. J. Moran; Mrs. M. Bliss; Mr. P. George.

In June our four memorable years at Taunton High will come to an end! In retrospect, our high school days were happy, confusing, exciting, fun-filled! In our sophomore year we sponsored our first dance, and then came the exciting activities of our junior year: our class dance, class rings, College Boards, PSATS, and our Junior Prom, "Ebb Tide"!

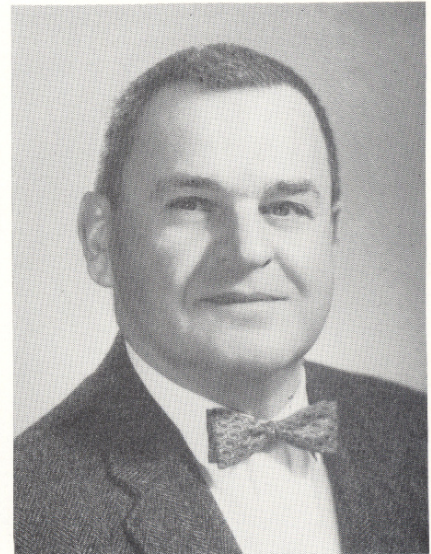

Highlights of our senior year were "Apple Cider Time," our first social event of the fall; the January Drill; work on the JOURNAL; the Dramatic Club presentation; class meetings; Student Government Day; Student Teachers Day; and, at last, our Senior Prom — "Rome Adventure" — and graduation!

We thank our sponsors, Mrs. Mary Bliss, Mr. Peter George, and Mr. James Moran, for their helpful guidance and understanding. We also express our gratitude to our class officers who did such a distinguished job of leading us for four years: Fred Rugg, president; Nancy Farrar, vice-president; Jean Goldrick, secretary; and Douglas Freeman, treasurer.

Getting a head start in their social events, the Junior Class sponsored an "Indian Summer" dance on September 15, with music by Alan Goulet and his orchestra.

Next came months of eager preparation for the Junior Prom, held on May 3. An enchanting Oriental theme of KONNICHU-WA was carried out in colorful murals of a Japanese garden and Fujiyama Mountain. The decorations even included a junk and a Japanese tea house.

Under the guidance of their sponsors — Mrs. Virginia Ames, Miss Cecelia Mendes, and Mr. Thomas Flangheddy — the juniors are looking forward to a busy, exciting, happy senior year!

No, Mark, we'll never get away with it.

Since 1922 the Tauntonian has been a proud Hallmark of Taunton High School. Founded by the late Mrs. Lillian E. Shaw, our school newspaper has consistently received awards and nationwide recognition in scholastic press competition. This year, under the sponsorship of Miss Agnes T. Laughlin, the Tauntonian received a "highest achievement" rating at the Boston University Scholastic Press Convention and a First Place Award at Columbia.

Miss Laughlin's journalism class for juniors prepares them to work on the paper in their senior year. As seniors, staff members busy themselves with getting out their six issues of the year. All fluster and fatigue are offset, however, by the pride of achievement as the Tauntonian rolls off the presses and another fine issue is distributed to the students.

This cry is often heard at the Pleasant Street Armory, as Sergeant Joseph H. Perry and Major James T. Thomas strive to train members of the Cadet Corps in obedience, military science, precision, and teamwork.

The semi-annual Prize Drills and Balls sponsored by the Cadet Corps have always been the highlight of the school social year.

Quiet!

Mr. Robert Park and The Taunton High School Band are busy the year round. In the fall during the football season the band accompanies the THS gridiron team to every game to show off its music and marching skill and to bolster the team's spirit.

After Thanksgiving Day, rehearsals begin for the Spring Concert, an annual sell-out at which the versatile band plays classics, marches, and pop suites, all with equal skill and enthusiasm.

As the year draws to a close, Taunton citizens may see the band marching proudly just ahead of the Cadet Corps in our city's Memorial Day parade. In June Mr. Park and his players offer a program of concert selections at the Taunton Rotary Club's annual chicken barbeque.

And so the band ends another year as one of the best-known, most-honored high school bands in New England.

GLEE CLUB

Sing along with Miss Reilly and the Glee Club.

Vocal music is really "in" this year, as the THS Glee Club, under the direction of Miss Rosanna Reilly, has the largest membership in years. Members of the club practice long and hard, but they are certainly rewarded for their efforts by the fine reception they receive for their superb performances at the Christmas Assembly and the Spring Concert.

This year's Glee Club Officers are Roger Dexter, president; Frederick Rugg, vice-president; and Nancy Wedmore, secretary-treasurer.

The History Club's aim this year will be to develop the Civil War Centennial theme with special emphasis on those crucial battles of 1863, Chancellorsville and Gettysburg.

On March 21, members of the club presented a program at Historical Hall and won fine praise from the members of the Old Colony Historical Society.

The co-sponsors of the club are Mr. Cook and Mr. Gula. Officers are Nancy Farrar, president; Eugene Jones, vice president; and Judith Gutman, secretary-treasurer.

Mr. John Kelley, the club's sponsor, hopes to direct aspiring actors and actresses in a three act play next year. In preparation for next year's production, members practice acting various types of drama at bi-monthly meetings.

Through the excellence of this year's presentation, the Dramatic Club has proven its worth in uniting students in their endeavors for dramatic expression. Officers of the club are Nancy Laurent, president; Linda Gregg, vice president; Janet Rogers, secretary; Paula Bzdula, treasurer.

Members of the THS Traffic Squad are the "cops" of our corridors, separating left lanes from right and directing uninitiated freshmen to their classrooms. Two traffic guards are posted at the front door of the school to greet and assist visitors.

Some teachers regard the organization as a mixed blessing. Though the boys help to maintain order in the corridors, they frequently exercise their privilege of leaving class two minutes before the end of each period.

Its members plan to continue their service to civilian and military hospitals, community agencies, and foreign youngsters.

ATHLETICS

FOOTBALL

First row, left to right: E. Hoops; T. Figueredo; D. Issac; W. Hall; A. Reckard; J. Marsden. Second row: T. Lima; W. Alves; C. Pine; F. Rogers; R. Mendoza and B. DeMoura, co-captains; D. Marsden; R. Gonsalves; M. Bloom; H. Baron. Third row: Mr. J. Carroll, assistant coach; D. DeMoura; J. Henry; W. Andrade; B. Enos; D. Cambell; D. Reed; B. Tripp; K. Wetherall; D. Gilbert; D. Sheenan (mgr.); Mr. F. H. Lane, head coach. Fourth row: A. Cardoza; R. Beals; A. Sandburg; R. Rodrigues; R. Masse; J. McGray; D. Poirier; B. Perry; B. Cornell; D. Figueredo; A. Rabouin; R. Morey.

The spirited Herringtowners, coached by Hamilton Lane and assisted by John Carroll, completed their season with a record of four wins and five defeats.

Getting off to a great start, the Taunton High gridsters, led by the scoring of co-captains Brian DeMoura and Bob Mendoza, rolled over New Bedford Voke 32-6. Tom Lima and Ben Enos also scored in this Taunton runaway. Key offensive and defensive plays of the game, hustled by Fran Rogers, Den Marsden, and Dick Campbell, helped make the game a sure thing.

In the best defensive game of the year, Taunton won its second game with a 12-0 score over Attleboro. Brian DeMoura and Ben Enos scored the only touchdowns. Key recovery of a fumble by Fran Rogers set up Taunton's first score. Other standouts were Tom Lima and Dick Campbell.

Led again by the scoring of Bob Mendoza, Taunton rolled over North Quincy 32-14. Ben Enos and Howie Baron also scored. Fran Rogers, Wayne Alves, Den Marsden, and Dick Campbell led the line as offensive and defensive standouts.

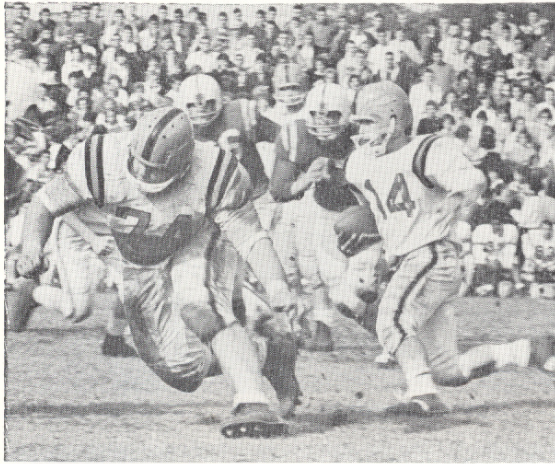

But in the next four games the Herringtowners lost their "lucky charm." They were overpowered by the strong North Attleboro team 42-6, physically beaten by the powerful Bishop Stang 39-6, outplayed by the spirited Durfee High 20-6, and overpowered by the mighty Barnstable High 24-6.

Breaking back into the win column, Taunton's own Bob Mendoza proved to be a vital factor in the Fairhaven game. He scored both T.D.'s for a score of 12-6. Ron Gonsalves and Bill Tripp stood out defensively for the Herringtowners.

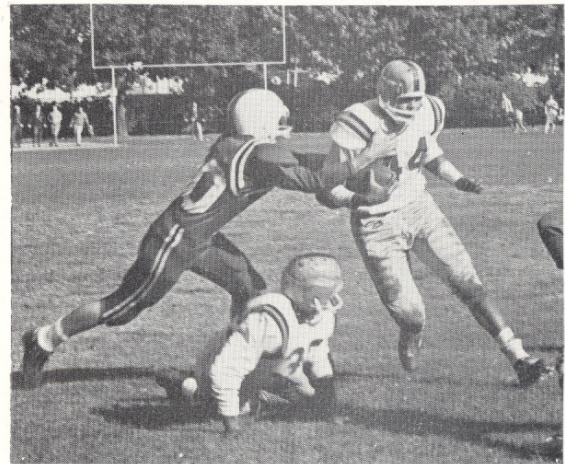

The Coyle jinx is still on our door-step. Tom Lima ripped the Coyle line time after time, making the Coyle "men" look like "boys." Bill Tripp, a junior quarterback, did a fine job of play calling and also scored the only T.D. of the game and the last of the season.

The Coyle "men" were outplayed by our gridsters in every respect except the score: 18-6. They had to struggle to bring down our hard-driving backs.

In a final "rags to riches" campaign, our Taunton High School Hoopsters lost to Winchester High in the Bay State Tournament.

Plagued by the lack of experience and bad breaks, the quintet fought valiantly in many a heartbreaking loss. Though their record stood at two wins and twelve defeats, their undying efforts highlighted their season.

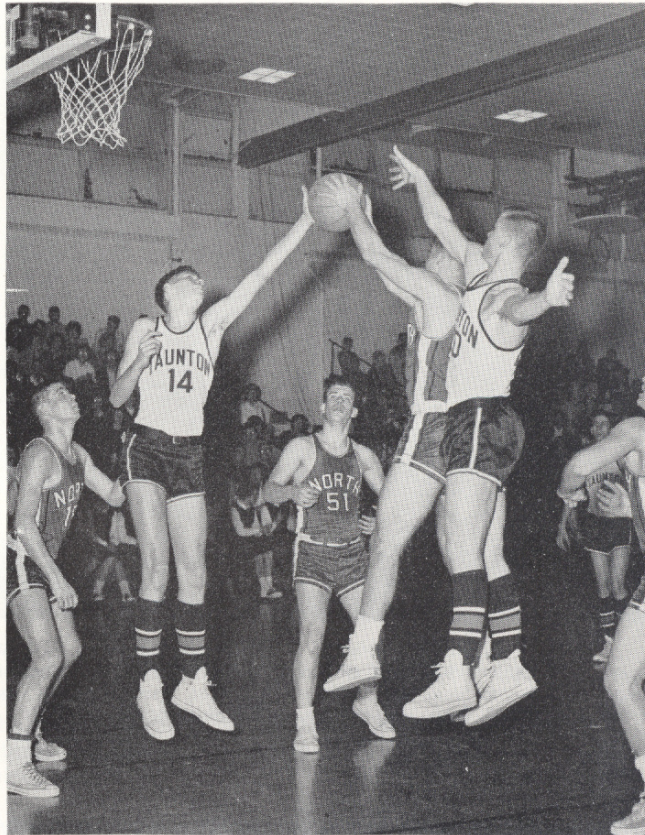

Led by our high scoring captain, Bruce Texiera, Taunton went to the "Bay State" as an underdog. Capturing three wins in as many nights, the Hoopsters reached the finals, only to be outclassed by a "tall" Winchester team. However, Taunton achieved second place in the Class A division.

Seniors seeing action during the course of the year were Bob Mealy, Gene Jones, Dale Dumont, and Gary Brown.

Third row: B. DeMoura; B. Teixeira; W. Tripp; W. Perry; L. Correia; E. Hoops; R. Beals, manager; Mr. A. DiRubio, coach.

This year Taunton High School's Baseball Team will be one to watch. Coached by "Gus" DiRubio and co-captained by Fred Rugg and Gil Silva, the Taunton nine show much enthusiasm. Senior lettermen who form a solid nucleus to this promising team are Fred Rugg, Gil Silva, Brian DeMoura, Ron Sroczynski, and Bob Mendoza. Pitching duties will be held by two juniors — Bruce Texieria and Ed Hoops — who have shown their determination under fire. With the participation of several zealous underclassmen, this year's team could go all the way.

GOLF - TRACK

With the return of only four lettermen, our track team, coached by Mr. John Serras, will be an underdog in the upcoming season. Eugene Jones and Douglas Freeman, senior lettermen, are this year's co-captains.

INTRAMURALS

INTRAMURAL COUNCIL

Left to right: G. Klein; T. Martin, president; Mr. A. DiRubio, director; H. Jacinto; A. Lopes; W. Miller. R. Wilbur, absent.

"From dreams to reality" are the only words to describe Coach "Gus" DiRubio's intramural program. Designed primarily as an "athletics for all" activity, it has had overwhelming success with two-thirds of the male student body participating. The program was designed for boys who do not compete at the varsity level of sports. Among the many activities are basketball, touch football, volleyball, softball, weight training, and indoor baseball.

Miss Cecilia Mendes sponsors the Pep Squad.

Boasting the largest membership of any club at Taunton High, as well as the greatest total membership since its origin, the Pep Squad operates with the purpose of supporting all school-sponsored activities. The Executive Board of the Pep Squad, under the sponsorship of Miss Cecilia Mendes, organized three rallies during the football season.

Several fund-raising activities were conducted for the purpose of raising money to award a scholarship to a senior student in June. This year, in conjunction with the Student Council, an all-school basketball rally was held, an event which was instituted for the first time in the history of the school. Also included in the club's busy program were poster campaigns to stimulate school spirit and the awarding of a trophy for sportsmanship at the annual football banquet.

There's a cheer from the stands and the bleachers.

The Taunton High Girls' Basketball Team, coached by Mrs. Patricia Nowell, enjoyed a very successful season ending with a record of six wins and four losses. The girls entered the Bristol County Playoff Tournament and won both games in its division playoffs, finishing the season in third place, Division A. High scorer for the team was Mary Hyland with 170 points. Captain Betty Meunier netted 87 points and Sue Flood contributed 20. Adding to the success of the team was the excellent defense work of guards Joan Piechota, Marilyn Lima, and Marcia Taylor.

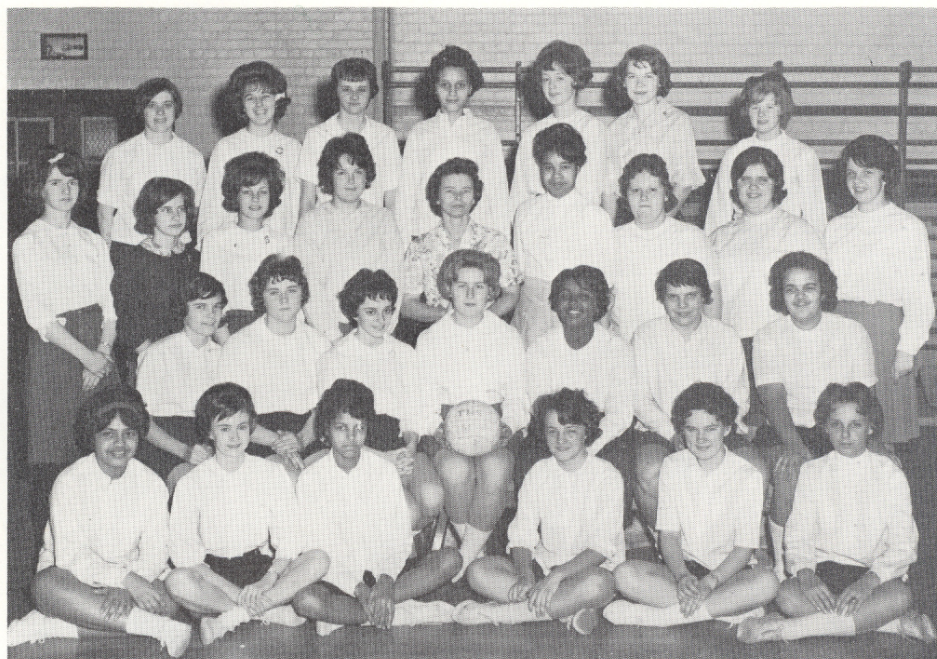

Two points for Mary.
